# VISION

To be a one-stop centre for hospitals, healthcare centers, clinics and pharmacies. Already a market leader in Malaysia and with the continuous improvement attitude it will become a market leader regionally as well as internationally.

# MISSION

Support and enhance the market leadership of the Disposable Product Businesses through the distribution of the highest quality products at superior service levels and most competitive prices.

The foundation for this effort will be the full partnership of our employee in the attainment of our goals through open communications and total involvement in our business.
